

The Honorable Lindley Beckworth

Dear Mr. Beckworth:

The Department of the Army has forwarded to us your telegram of 10 December regarding the case of 

The Central Intelligence Agency, of which I am the Director, is independent of the Department of Defense, and therefore there is nothing which I can do directly to assist 

Although the Army has just forwarded your telegram to me, I have had the entire matter referred to the office of Legislative Liaison of the Department of the Air Force on this date as  comes completely within their jurisdiction.

I am sorry that I cannot be of more assistance to you in this matter.

Sincerely,

SIGNED:
W. B. Smith
Director
